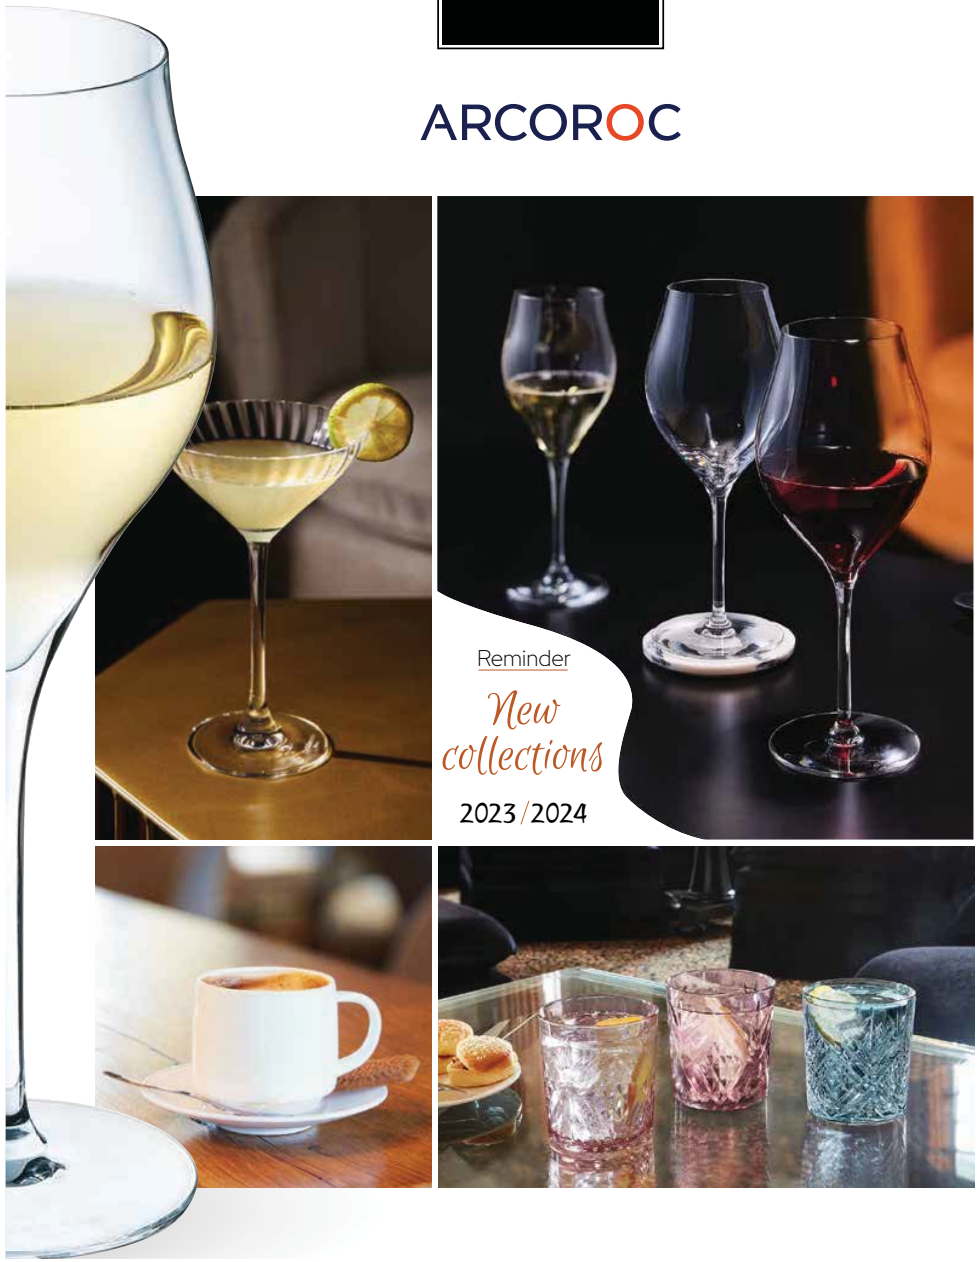
ARCOROC



Chef&Sommelier

Chef&Sommelier™ symbolizes **an art of living** that embodies the richness of **French gastronomy and oenology**.

Chef&Sommelier™ imagines glassware collections with pure and **elegant** design.

It offers a unique signature for serving **fine** tables, and the **demanding** professionals who seek to sublimate their savoir-faire, while awakening the senses and creating unforgettable tasting experiences for guests.

The **Chef&Sommelier™** collections are part of a world of **innovation**, **passion**, **elegance** and **exacting** standards.

With **Chef&Sommelier™**, make way for **pleasure**, **creativity**, **discovery** and **shared authenticity**!

It is reassuring to know that all **Chef&Sommelier™** items are produced in Krysta™, a new-generation of crystal glass, which is made in France in the "Haut de France" region.

Chef&Sommelier™ is an ARC Group brand, benefiting from the know-how and heritage of this major industrial group. It was founded in 1825 and has since become the world leader in tableware.

ARCOROC

It's all part of every day, and every service.
At **Arcoroc™**, we know this very well; we've been creating tableware products since 1958.

Arcoroc™ has developed a range of **innovative** and functional **global tableware solutions**, designed for **intensive** use in the catering industry, which is now recognized worldwide and makes us the preferred partner of the world's leading hotel, restaurant and bar chains.

This has led to an unrivalled presence, made possible by our **unique know-how** and constant quest for **innovation** in materials and design.

Ultimately, Arcoroc™ has the sole aim of resisting both the pressure and rhythm of your daily life, but also matching your creativity and desire to satisfy your customers.

Arcoroc™ also develops **sustainable product solutions** that are easy to transport, **healthy**, **hygienic**, and have a **reduced carbon footprint**, so that together we can build the responsible and fair catering of tomorrow.

Arcoroc™ is a brand of the ARC Group, and benefits from the know-how and heritage of this major industrial group that was founded in 1825. It has since become the world leader in tableware.
